By returning the Customer Information Form you agree to the processing of your personal data by Deltares. We solely use this information to draw up the contract/proposal for the delivery of our software and the subsequent performance of the agreement by taking the necessary steps to licenses and support and maintenance as agreed to. The proposal document will be sent to you as soon as possible. The order process will be complete when we have received the signed proposal document from you.

Deltares will process your personal data (referenced above) in accordance with the [General Data Protection Regulation](#). Your personal data will be kept only for as long as necessary for the purpose for which they have been collected. Deltares will not make your personal data available to third parties unless you have provided us with your explicit consent to do so, or if there is a legal obligation to do so.

To protect your personal data, Deltares has a policy for information security and privacy management. We implement effective technical and organizational measures, including a management system for information security that complies with the international standard (ISO 27001: 2013) and relevant legislation and regulations; continuous procedures to increase our ability to cope with cyber threats; measures for data backup, system access, system integrity, virus checking, passwords and encryption, and an effective corporate crisis plan.

If you want to see your personal data we process, you can send us a written request to that effect. If some personal data prove not to be correct, we can correct them for you on your request. You can also ask us to limit the processing of your personal data or to delete your personal data. If you have given your consent, you can withdraw it at any time.

For example, if you have a complaint about the way in which Deltares processes your personal data, or if you object to our processing of your request for access, correction, restriction of processing or the deletion of your personal data, you can contact us using the information below. You can also submit your complaint to the Dutch Data Protection Authority.

If you have any questions about this privacy statement, about the processing of your personal data in general, or if you wish to access, modify or delete your data, please contact us at:
